

# TACTICAL CONSEQUENCES WORKSHEET

**Tactical Consequences** are specific, distressing experiences that will result from failing to execute on goals, or — ideally — **Mile Markers** related to goals. To understand **Tactical Consequences**, see pages 132 through 144 in **Foundations of Execution**.

**Prerequisites:** Before continuing, make sure you've broken your **M-SMART Goals** into a detailed **Goal Scaffold**, from which you can select **Mile Markers**.

If I don't...

*(Mile Marker, including relevant details and deadline criteria)*

...I will...

*(Tactical Consequence detail)*

I plan to socialize this in the following ways:

*(Socialization channels)*

...and the following **Executor of Consequences & Auditor** will hold me accountable:

*(Names and relationships)*
